

## NOMINATION FORM | 2024 APWA MICHIGAN CHAPTER PUBLIC WORKS PROJECT OF THE YEAR AWARD

**Purpose** - The APWA Michigan Chapter Public Works Project of the Year Award was established to promote excellence in the management and administration of public works projects by recognizing the alliance between the managing agency, the consultant/architect/engineer, and the contractor who, working together, complete public works projects.

**Eligibility** - Public works is defined as the physical structures and facilities that are developed, owned, and maintained by public agencies to house governmental functions and provide water, power, waste disposal, transportation, and similar public services in accordance with established public policy.

To be eligible for nomination, a project must have been "substantially completed" and available for public and/or agency use within two calendar years prior to nomination. If a project has multiple phases or segments, then "substantially completed" will be construed as that point when the final phase or segment is 90% completed and available for public and/or agency use.

A project may only be nominated once for recognition as "Project of the Year" under any category. Contact William Fisher, PE, APWA Michigan Chapter Awards Chairperson, with questions at [William.Fisher@wsp.com](mailto:William.Fisher@wsp.com) or (313) 363-0532

**DEADLINE** January 12, 2024, end of day
